

THERE ARE NINE RULES YOU NEED TO KNOW.

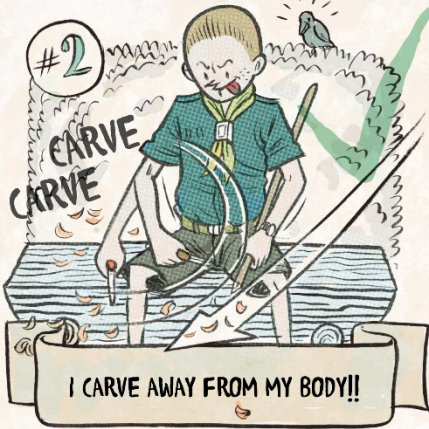

#1

WHEN YOU CARVE, YOU SIT!

#2

CARVE  
CARVE

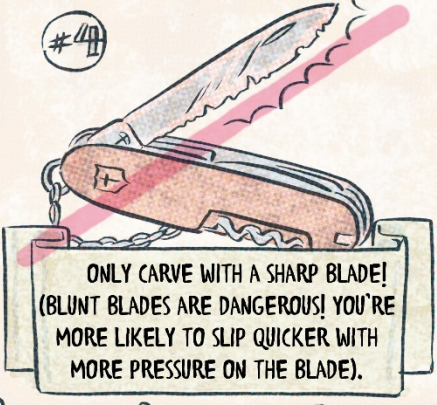

I CARVE AWAY FROM MY BODY!!

#3

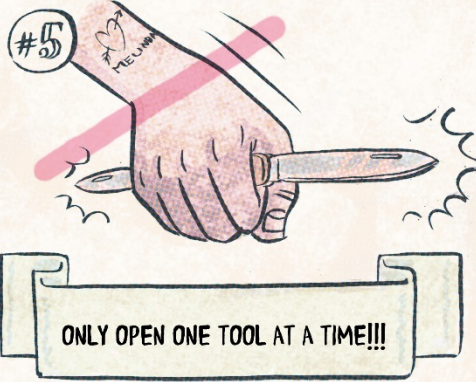

WHEN YOU CARVE,  
KEEP IT AT ARM'S LENGTH.

#4

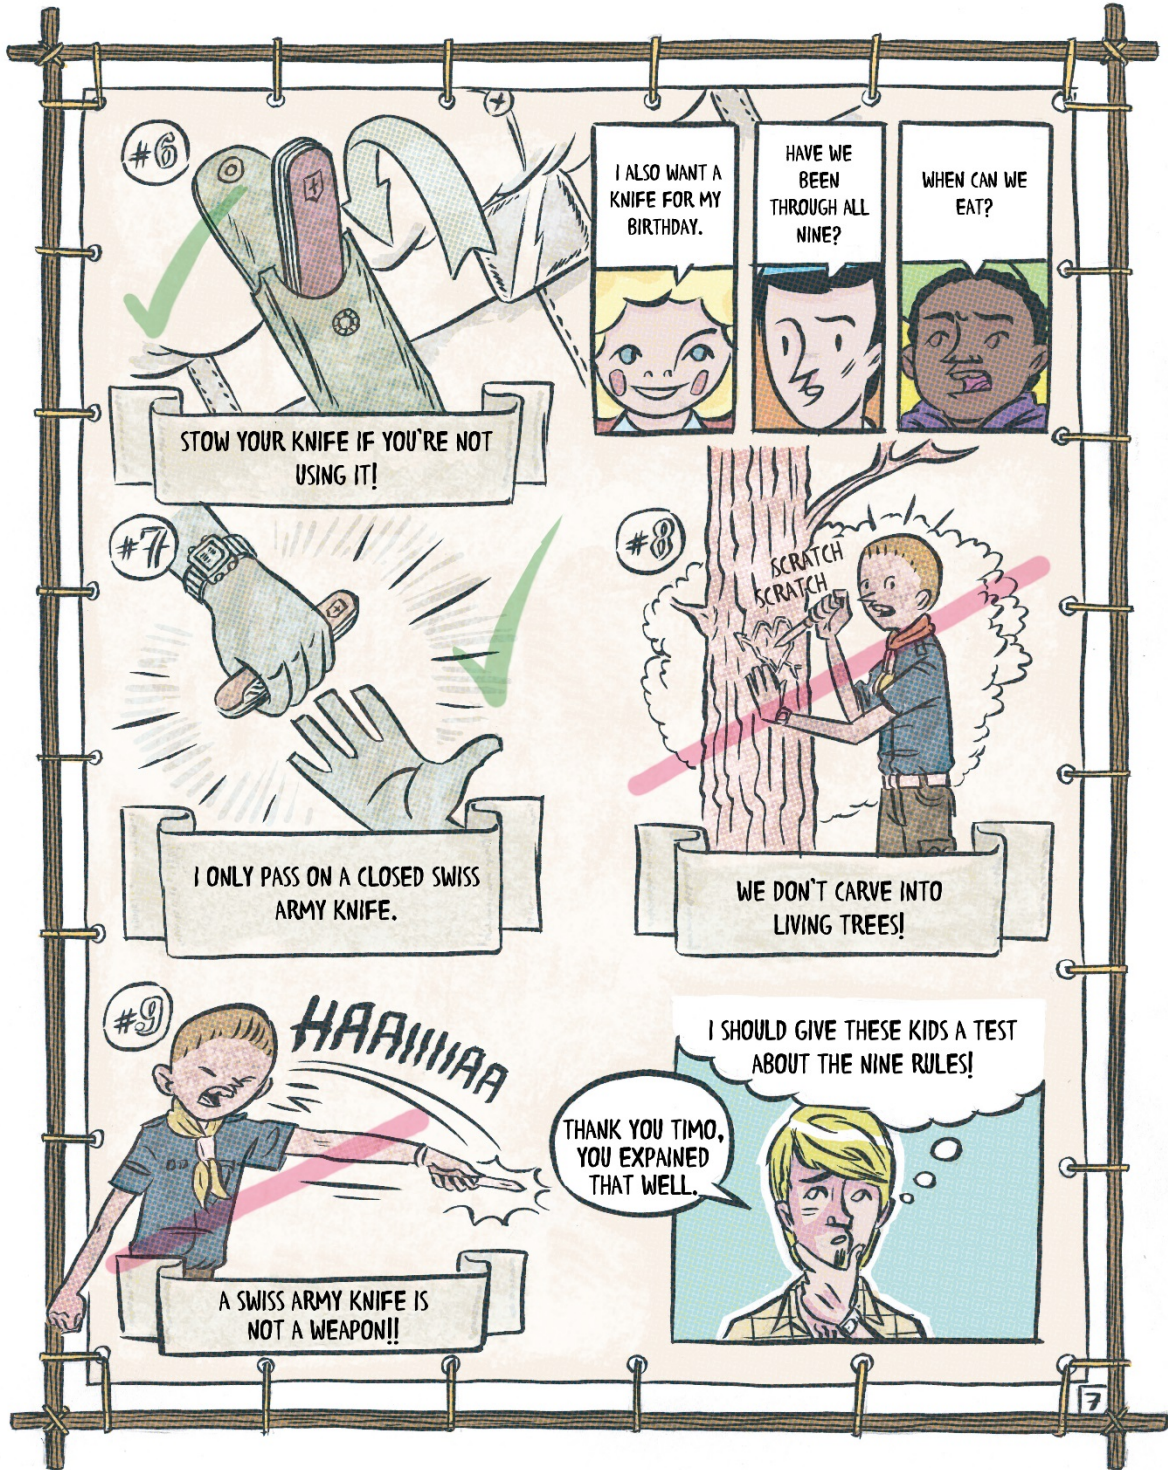

ONLY CARVE WITH A SHARP BLADE!  
(BLUNT BLADES ARE DANGEROUS! YOU'RE  
MORE LIKELY TO SLIP QUICKER WITH  
MORE PRESSURE ON THE BLADE).

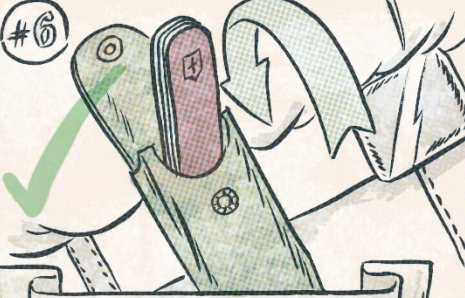

#5

ONLY OPEN ONE TOOL AT A TIME!!!

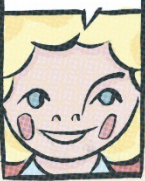

#6

STOW YOUR KNIFE IF YOU'RE NOT USING IT!

I ALSO WANT A KNIFE FOR MY BIRTHDAY.

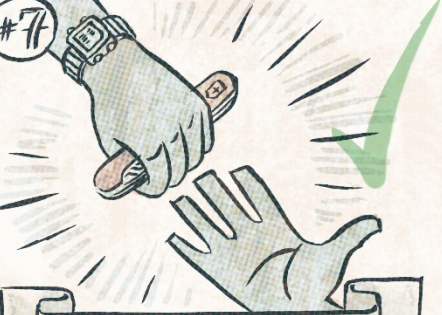

HAVE WE BEEN THROUGH ALL NINE?

WHEN CAN WE EAT?

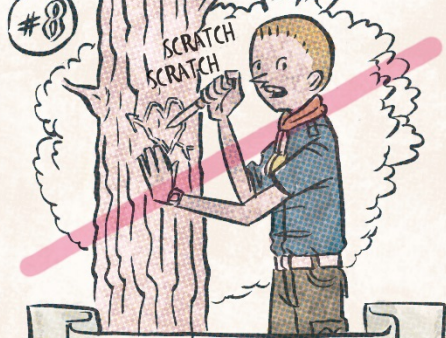

#7

I ONLY PASS ON A CLOSED SWISS ARMY KNIFE.

#8

WE DON'T CARVE INTO LIVING TREES!

#9

A SWISS ARMY KNIFE IS NOT A WEAPON!!

I SHOULD GIVE THESE KIDS A TEST ABOUT THE NINE RULES!

THANK YOU TIMO, YOU EXPAINED THAT WELL.
